

charter member and past president of the Beatrice Jaycees. He served three terms on the Beatrice Board of Education, ten years as that school district's president. He was a member of the County Airport Authority, on the Board of Directors and Treasurer of the Beatrice Development Corporation, and was a life member of the Gage County Fair Board. Bill didn't leave his activities in the business world, but he also served his community as Mayor of the City of Beatrice from April of '62 to April of 1966. On the state level, he was a 15-year member and was chairman of the Nebraska Aeronautics Commission. He was chairman of the Southeast Nebraska Economic Development Association, which covered 17 counties. He was a member of the Supreme Court Nominating Commission, the Fourth District of the State of Nebraska, a member of the Nebraska Transportation Institute, the Advisory Committee of the Nebraska Department of Economic Development, and the Small Business Advisory, Administration Advisory Council. He served as a member of the Board of Trustees in the Nebraska Council on Economic Education. He was an early envoy and later an ambassador in the Nebraska Diplomats. Bill served in a capacity anytime he was asked by his colleagues, by his friends to do anything possible to help to enhance our quality of life in our community and in the State of Nebraska. I can go on and on with the affiliations that he had both on a local, a state and a national basis, but I'd just like to have all of you join with me today in expressing our sympathy to the family of William Wilson Cook. Thank you.
